

## Support Uptake Integrated Pest Management and Low- Risk Pesticide Use

1st General Assembly  
30 January – 1 February (Berlin)  
JKI - Königin-Luise-Straße 19, 14195 Berlin,  
Germany

### Objectives of the GA meetings

Now that the project is running for about 1 year, it is a good moment to update each other and for reflection so that the project will smoothly run into its next phase and that we will remain the focus on the project's objectives.

### Desired results

Face to face meeting 30 January - 1 February in Berlin

- Learn from the examples of the NCCs and CoPs
- Establish the Network of Practices (NoP), Cross-fertilization between Community of Practices through the NoP.
- Define how we implement the outcomes of the tasks in work packages 1, 2 and 3 in cooperation between with WP4
- Translate the expected outcomes into communication actions
- Formulate requests to the Project Advisory Board
- To define and detail the next steps in the WPs
